## Ants

### Before reading the book

Look at the cover of the book. Fill in the missing information.

Title

---

Author

---

# Student Assignments

---

Fill in the first two columns in this form:

What do I KNOW about ants?	What do I WANT TO know about ants?	What have I LEARNED about ants?
Write what you already know:	Write at least three things:	Write at least five things:

Tip: Read Contents and the text on the back cover to see what you can read about in the book.

# Student Assignments

---

## While reading the book

Read pages 4-7 and write five facts about ants:

---

---

---

---

---

Make a drawing of an ant based on the facts you can read about on page 4.

A head with feelers and big jaws.	A chest with six legs.	A back end with stomach and organs.
-----------------------------------	------------------------	-------------------------------------

# Student Assignments

---

**Read pages 8-11 about ant colonies and the places where ants live.**

Below 10 words are hiding. Close the book and see if you can remember them.

All the consonants are left out so only the vowels remain. Write the missing consonants.

e						
w			k			s
a						
		o		e		
	o		o		y	
	u	e	e			
		y				
a				i		
	i		e			
	e	e			e	

**Read pages 12-15.**

Split what you know about ants into three categories. Write notes for each category:

Tasks:	Enemies:	Different kinds of ants: (look in the whole book if you want)

# Student Assignments

---

## After reading the book

Stop and think. What three things do you think make ants a truly special insect?

---

---

---

---

---

---

---

---

Go back and fill out the last column in the form: What have I LEARNED about ants?
