Student Assignments

Sharks

Some of these assignments you can choose to talk about in groups or in class.

Before reading the book
Who wrote the book?
On what pages in the book do you find Contents and Keywords? and
Can you find the answer in the book?
What do sharks eat?
Are there sharks in Denmark?
While reading the book
Read about the boy who had his arm bitten off. Can you find other stories about sharks doing harm to people? Use the Internet.

Student Assignments Why are sharks endangered? After reading the book Look at the photos in the book. Which photo is your favourite? Write or say why. Look at the cover of the book and read the text on the back cover of the book. Do the photos and the text fit well with what you have read in the book? Why? Why not?
