

My First Book

Student assignments for *On Safari*

Talk about the assignments in groups or in class.

Before you start reading the book

On which pages in the book do you find Contents and *Keywords*?

Can you find the page where it says *Read more*? Use *Contents* to find *Read more*.

Who wrote the book?

Can you find the answer in the book?

The Big Five! Can you remember all five animals?

What is an elephant's nose called?

What is another name for the lion?

My First Book

While reading the book

What is a buffalo?

What is a mammal?

What is a leopard?

What is a predator?

How much can a rhino weigh?

After reading the book

In the book you can read that the lion is a predator. What about the other animals? Find out if they are also predators.

Look at the photographs in the book. Which photograph is your favourite? Write or say why.

My First Book

Write or say three things you have learned by reading the book.
